In each event, the top 4 swimmers for each team are placed, so points are earned for positions 1-12 when there are three teams competing. Unfortunately, since WISC only usually swims dual meets, Ribbons were only available for places 1-8, to swimmers placing will get participant ribbons but still scored points for the team. As always, whilst this is a competition, each swimmer's main objective should be to improve on their own times. Also note that if our 5th fastest swimmer will not score points for us, even if they finish 5th. on this results sheet, this situation would be indicated thus: 5th (NS)
