### September 28, 2010

In each Relay event, the top two teams from each team can score, with a maximum of three teams scoring. In each individual event, the top 4 swimmers for each team are placed, and points are earned for positions 1-8. As always, whilst this is a competition, each swimmer's main objective should be to improve on their own times. Also note that our 5th fastest swimmer will not score points for us, even if they finish 5th. on this results sheet, this situation would be indicated thus: 5th (NS)
